Rural Student Services

About - Students - Academic Resources - News and events - Dennis Demmert Awards -

Take the next step in your education at a world-class research university that embraces Indigenous values and identity. Serving rural and Alaska Native students from across Alaska, Rural Student Services (RSS) is here to help you make UAF your home away from home.

Diversity

The University of Alaska Anchorage initiated a process to create a Diversity and Inclusion Action Plan in 2016. This plan lays out seven major objectives to further diversify UAA and create a truly inclusive environment. It will serve the university through UAA 2020 and an accreditation self-study.
